### RUM<sup>™</sup>

UNTAMED<sup>®</sup> REVOLUTIONARY RUM is a light, gold and amber aged rum from Barbados and Trinidad, full of surprises, albeit different and unique. Well blended and beautifully crafted.

#### NOSE

A comforting scent of maple syrup, entwined with the warmth of cassia bark and the sweetness and sourness of cherries. Perfectly balanced with the exoticism of ripe mango and a hint of vanilla.

#### TASTE

Lightly spiced to begin with, developing a hotter but pleasant and teasing palate with ginger tones, all spice lingering and dried pineapple.

#### FINISH

The finish is warm and soothing. This very pleasant light yet potent rum is full of possibilities for great cocktail creations.

#### SUGGESTED COCKTAIL

Vanilla Cuba Libre
